1. Introduction

1.1 Procurement Policy on Bribery and Corruption

Central Securities Clearing System (CSCS) Plc strictly adheres to professional work ethics and emphasizes zero tolerance for bribery and any other forms of corruption. It is our policy that service providers involved in offering bribes will be disqualified and excluded from any potential engagement opportunity.

1.2 Executive Summary of Project

This RFP is an invitation to prospective proponents to submit proposals for the implementation of a Manage Print service for HQ & Abuja Offices for CSCS.

The successful company should be able to manage and meet the requirements for this activity. The purpose of this RFP is to seek information from potential bidders with an intention to establish an agreement between CSCS and the successful bidder. The contract that follows this process shall bind CSCS and the successful bidder to perform in a specific way for an agreed duration to be agreed in the contract in an event of the formation of the same.

2. Terms Governing This RFP

2.1 Recipients of this RFP are required to read all the information supplied and have a clear understanding of Central Securities Clearing System Plc requirements. Further information can be made available by contacting nominated persons listed in this RFP.

2.2 It is a condition of this RFP that all mandatory requirements (indicated in the body of text by the word “must” or expressed or implied accordingly) are met in full. Responses and proposals that do not conform to mandatory requirements will be deemed to be made on the basis that conformance is implied by the proposer. The contents of proposals must be submitted in the same order as that specified in this RFP.

2.3 Pricing should include details of all costs related to software, required hardware, conversion of existing data, installation, training, final implementation, recurrent rentals, and annual support costs.

2.4 All communication relating to this RFP must be directed to the specified key contact persons

listed below. All other communications between a respondent and CSCS staff concerning this RFP are prohibited. In no instance is a respondent to discuss cost information contained in a proposal with the CSCS contact persons or any other staff prior to proposal evaluation. Failure to comply with this section WILL result in disqualification of the proposal.

- 2.5 Central Securities Clearing System (CSCS) Plc will select the successful proposal based upon several evaluation factors including features outlined in the RFP; company stability, experience executing similar projects; implementation plan and price. The selection will be decided based on the proposal submitted by a qualified proposer that best meets the needs of CSCS. CSCS reserves the right to reject any or all proposals.
- 2.6 This RFP is a request for proposal for the implementation of a Managed Print Service for CSCS. It is not a contract, and no contractual obligations shall arise on behalf of CSCS. CSCS will not be liable for any costs incurred in the preparation and submission of a response to this RFP.
- 2.7 CSCS shall deduct Withholding Tax from payments to service provider (successful bidder) to account for that tax to the local tax authorities. Any agreement with the successful bidder shall be subject to CSCS being entitled to make these deductions so that CSCS will not bear an unnecessary additional cost. Service provider can usually claim a credit against their tax liabilities in respect of Withholding Tax deducted by CSCS.
- 2.8 In addition to submitting a proposal in response to this request, all proposals should be sent with a written confirmation that there are no conflict-of-interest issues that will prevent the firm from taking up this engagement.
- 2.9 CSCS shall evaluate proposals based on their responsiveness to the requirements of this RFP as outlined above. Each responsive proposal will be given a score. A proposal shall be rejected at this stage if it fails to respond to the requirements. The shortlisted vendors shall be invited for an oral presentation before a Committee of CSCS representatives. The vendor with the highest score after the final presentation will be invited for negotiations.
- Negotiations will be held with the aim of reaching an agreement on all points and subsequently engage the successful vendor. If negotiations fail, the vendor with the second highest score will be invited to negotiate an agreement.
- After negotiations are completed, CSCS will promptly notify other vendors on the shortlist that they were unsuccessful.

C. STATEMENT OF REQUIREMENTS

1.0 INTRODUCTION

1.1 Background

The Central Securities Clearing System (CSCS) Plc. was incorporated on July 29, 1992, as a Financial Market Infrastructure (FMI) for the Nigerian Capital Market. It was commissioned in April 1997 and commenced operations on April 14, 1997. On the 16th of May 2012, CSCS became a Public Liability Company (PLC) by a special resolution.

The Securities and Exchange Commission issued its license as an Agent for Central Depository, Clearing and Settlement of transactions in the Nigerian Capital Market. It operates a computerized depository, clearing, settlement and delivery system for transactions in securities in the Nigerian Capital Market.

CSCS facilitates the delivery (transfer of securities from seller to buyer) and settlement (payment of bought shares) of securities transacted on the approved Nigerian Exchanges. It enables securities to be processed in an electronic book entry form thereby substantially reducing the period it takes a transaction to commence and end.

CSCS has made visible strides in the Nigerian Capital Market and will continue to respond to the needs of the securities and commodities market to further enhance transparency and speedy settlement of transactions.

1.2 Purpose of the Request for Proposal (RFP)

The purpose of this Request for Proposal (RFP) is to invite suitably qualified and experienced service provider to submit proposal for the design and implementation of Manage Print Service for HQ & Abuja Offices of CSCS as a way of soliciting proposals in line with the requirements outlined within the document.

The interested vendors would also be required to respond to each of the requirements as outlined in this RFP document clearly indicating the ability to meet the requirements and their associated costs.

The CSCS team will then evaluate the various responses submitted and choose a more suited vendor. The awarding of the contract will not be based on the amounts indicated in the proposals

but also on the overall suitability of the proposal meeting CSCS's approach, strategic objectives and goals

The interested vendors would be required to respond to each of the requirements as outlined in this RFP document, clearly indicating their ability to meet the requirements and their associated costs.

2.0 PROJECT OBJECTIVES AND SCOPE

2.2 Project Scope

The project focuses on delivering a Manage Print Service for HQ & Abuja Offices for CSCS with **5 A3/A4 Color Printers**, provisioned to meet CSCS day-to-day print, copy and scan needs while eliminating wastages and ensuring accountability.

2.3 Business Analysis and Project Management

Business analysis and project management of the Manage Print Service for HQ & Abuja Offices implementation will be carried out in two phases.

Phase 1 - Definition: The selected vendor and the CSCS project team will carry out a comprehensive scoping exercise to determine server requirement (on premise hosting), all data sources, execution formats (wired/wireless job initiations) and all requirements for a successful implementation, as well as functional design, system specification and models. For this phase, models and process maps can be added to support your proposal. At the end of this phase, a system blueprint will be developed and signed off, after which the next phase of the project can proceed.

Phase 2 – Design & Implementation: Using standard Project Management methodologies, the vendor will work closely with end users, subject matter experts, functional and technical teams to configure and deploy the solution successfully. Users will be trained, and all documents will be shared before project close out.
